AFTERBURNER

AFTERBURNER℠ LEADERSHIP SOLUTIONS

WE BUILD FLAWLESS LEADERS.

One Mission. One Moment. One Leader At A Time.

Modern leaders are drowning in complexity, navigating constant disruption, never-ending pressure, and shrinking resources. Most leadership training only inspires in the moment. By Monday morning, the spark fades.

Your leaders don't need more motivation.
They need a system.

AFTERBURNER

WHO WE ARE

Afterburner is the only leadership development company built by fighter pilots and pressure-tested across **3,500+** organizations, including 85% of the Fortune 500.

For nearly 30 years, we've equipped leaders with our Flawless Leadership℠ and Flawless Execution℠ systems: a simple, scalable framework that **transforms** overwhelmed managers into high-impact leaders.

"This isn't just another training program;
it's a complete leadership operating system."

AFTERBURNER

YOUR FLIGHT PLAN TO FLAWLESS LEADERSHIP.

Three ways to engage. One proven system.

01 / KEYNOTES

Ignite transformation
in under 90 minutes.

02 / TEAM BUILDING

Pressure-test your team
in ways they'll never forget.

03 / FLAWLESS LEADERSHIP℠ PROGRAMS

Build leaders who stay
better, not just get better.

AFTERBURNER

01/ KEYNOTES

Ignite transformation in under 90 minutes.

Afterburner's fighter-pilot keynote speakers translate real cockpit experience into solutions for your most pressing leadership challenges. High-energy, emotionally resonant, and immediately actionable, these are not motivational speeches.

They are precise delivery vehicles for the Flawless Leadership℠ framework.

BEST FOR

Annual conferences, sales kickoffs, leadership summits, & company all-hands.

FORMAT OPTIONS

45-min / 60-min / 90-min keynote

TOPICS INCLUDE

- **Flawless Execution℠**
- **Decision-making under pressure**
- **Alignment & accountability**
- **AI and the modern leader**

AFTERBURNER

02 / TEAM BUILDING

Test your team under pressure in ways they'll never forget.

The Top Gun Experience℠ and Afterburner LEGO Challenge℠ are immersive simulations that make alignment and decision-making visible. Teams execute under pressure, debrief in real-time, and **walk away with new habits.**

SIGNATURE EXPERIENCES

Top Gun Experience℠
Cockpit-to-boardroom fighter pilot simulation

LEGO Challenge℠
Strategy-to-execution simulation with immediate debrief

AFTERBURNER

03 / FLAWLESS LEADERSHIP℠ PROGRAMS

Build leaders who don't just get better, they stay better.

For organizations that want **lasting behavioral change,** not a one-day boost. Afterburner's development programs embed the Flawless Leadership system **at scale** through structured modules, coaching, and 90-day accelerators.

PROGRAM OPTIONS

Flawless Leadership℠ Program
12-week, 6-module system transforming managers into impact multipliers

90-Day Accelerator
Foundational leadership + Flawless Execution coaching

1:1 Coaching
Personalized leadership coaching with former fighter pilots

AFTERBURNER

WHY IT WORKS

> *What they taught us is now embedded in our DNA. Their* **methodology** *is the integral part behind our disciplined execution that allows our* **continued rapid and exponential growth.**

Joe Army
President & CEO, Vapotherm

> **12** *consecutive quarters of* **20% YoY growth** *after adopting the Flawless Leadership℠ system.*

VMWARE

READY TO TAKE OFF?

Your path from overwhelm to impact starts with a single conversation.
Tell us about your team, your challenges, and your goals,
and we'll design the right flight path.
